Pulled pork sandwich

House-rubbed pork shoulder, slow-smoked for 12 hours or until fall-off-the-bone tender. Then hand pulled and served in a nice big pile like a pork salad. This salad comes on a bun with slaw. Sauce, onion, cheese, and pickles are included too.

12

Pulled pork sliders

A smaller version of the sandwich, but a little more fun. These come on a slider bun with slaw. Sauce, onion, cheese, and pickles are included too.

4

Whole pork loin

Served with fruit chutney with a little kick.

14

Pork spare ribs

Coated in our custom house-made dry rub then slow-smoked for hours for a tender fall-off-the-bone finish. Or you can get them with a little tug necessary. Your call. Want them wet? No problem—pick one of our house made sauces. Four bones per serving.

10

Pork belly

Spicy Asian style or classic. Marinated and slow-smoked in spicy garlic chili paste gives the right amount of heat while the classic is coated in our custom house-made dry rub then slow-smoked for a flavor packed slice of goodness.

5

Chicken quarters

Pretty much health food. Almost vegan. They're moist and tender and can be served coated in barbecue sauce or seasoned with a dry rub.

10

Chicken tenderloin

Chicken tenderloins, glazed with our house made BBQ sauce.

Beef brisket sandwich

A true low and slow smoked Black Angus USDA prime brisket cooked for 18 hours or more. Yep, 18 hours. See that little pink ring? That's the welcome sign to heaven. Served with buns, pickles, onion, cheese, and a horseradish or BBQ sauce.

15

Beef brisket chili

The same slow smoked brisket added to a house made thick chili. Served with onion, cheese, fresh jalapeno, and crackers.

10

Beef steamship

Over 60 pounds of beef carved onsite for an amazing presentation and even better meal. The hardest part is getting your guest's jaw off the floor as they see the amazingness before them. The process is a two-day adventure to give you the best.

Whole hog

After two days of preparation the hog is roasted or smoked for 24 hours and carved onsite for your guests. Such an amazing dinner presentation is subject to market price and only the animal, sauce, and carving is included.

- Sauces -

Kick Back BBQ - Included

A versatile hybrid of two southern styles, this is a sweet sauce with plenty of zing that perfectly accompanies any type of smoked meat.

Kick Back white - \$10 a bottle

An Alabama-inspired white sauce we don't see all that often up here in the north country. One bottle serves about 25 people

Kick Back mustard - \$10 a bottle

A sweet and tangy sauce using mustard as the base, just like they do it in South Carolina. One bottle serves about 25 people

Keep in mind, we cook every thing to order. From scratch. If we have to take it out of a bag and nuke it, we won't serve it. Ever. It takes a lot of time and attention to do BBQ right so you won't be able to get anything without at least 24 hours notice.

(That's a good thing by the way.)

We don't handle the beers. Our insurance company is already skittish about the firebox on wheels so we let you handle the adult beverages. We don't care what you bring on your own so feel free to do what you do.
